Equipment Rental Agreement

Contract No: CF-TEST-CN-00042

Date: August 1, 2026

Parties

Lessor: Northfield Equipment Rentals (Test Entity), a fictitious company created for synthetic test data purposes.

Lessee: Vantage Grading & Excavation LLC (Test Entity), a fictitious company created for synthetic test data purposes.

1. Equipment

Equipment ID: EQX-77321-CF (Test) — Model: CAT 320 Hydraulic Excavator (fictitious asset for test purposes).

2. Rate

Daily Rate: \$1,500.00 / day

Billing shall accrue daily beginning on the equipment delivery date identified in the corresponding invoice.

3. Off-Rent Trigger Clause

Billing shall cease upon Lessee transmitting off-rent notice to Lessor in writing (email acceptable), specifying the equipment ID and the requested off-rent date and time. Lessor shall confirm receipt within one (1) business day. Absent such notice, daily billing continues to accrue.

4. Term

This agreement commences on the delivery date and continues on a day-to-day basis until terminated per Section 3.

5. Telemetry Monitoring

Lessee acknowledges the equipment is equipped with telemetry reporting (location, RPM, engine hours) which may be used by either party to corroborate the actual in-service period surrounding an off-rent notice.
